Affiliated Schools,  
Punjab.

No.Fee Committee /2013/ .....435.....

Dated...29...10...2013

**Subject:- Performa and Missing Balance Sheet and audited Income & Expenditure Statements.**

Hon'ble Punjab & Haryana High Court vide its order dated 9.4.13 passed in CWP's No. 20545 of 2009, 3834 of 2010 & 5587 of 2010 has constituted a Committee to examine the fee structure of Private unaided Self financing affiliated schools in the State of Punjab.

The Committee in its different meetings had sought response to questionnaire prepared by the Committee asking for information on various aspects required to be taken into consideration including financial statement of last 3 years. Though majority of the schools affiliated with CBSE and ICSE have provided the requisite information but large number of the schools affiliated with PSEB have not filed response thinking that they have already submitted such information with the Board. It has come to the notice of the Committee that full information is either not available with the Board or the one available is out dated.

The attention of all schools is invited to the following parts of the directions issued by the Hon'ble High Court requiring the schools to provide co-operation and all necessary information required by the Committee:-

**“.....Since the schools are submitting the accounts with the Boards, these accounts and records can be given by the Boards to the Committees. In addition all the schools shall also render full cooperation to the Committee by submitting the Account and other necessary information demanded by the Committee(s).....”**

In view of the above position, the Committee has decided to afford one last opportunity to all such schools who have not filed any response to the questionnaire prepared by the Committee to file response, if so desired. The questionnaire prepared by the Committee is also available on the web site [www.pseb.ac.in](http://www.pseb.ac.in) of Punjab School Education Board. The schools may now submit their reply to the questionnaire and submit the Financial Statements (audited) in the office of the Committee at Punjab School Education Board by 22.11.2013. Schools may take notice that if any school still fails to file response or to supply the information, then the committee will decide the fee structure on the basis of available information if any with the Board. If there is no information available with the Board then the Committee will decide the fee structure of the schools at the minimum rates in the State by drawing adverse inference.

This is for the information and for compliance of all the schools.
